Mrs. Una Merwin Sorensen

Dear Mrs. Sorensen:

When talking with my son, Miles Lawrence Merwin, I learned that he has not reported the birth of his twin sons.

Miles Christopher and Jonathan David Merwin were born Aug. 20, 1975. As they both required intensive hospital care for some weeks after birth, my son had considerable excitement at the time and notice to our Association was overlooked.

Both grandsons are now doing well.

5219. Hubert John [11] Merwin b. 5 May 1927 in Knoxville, TN; in 1988 living at 6006 Grove Park Road, Knoxville TN 37918, a son of Hubert John & Ellen Armistead (Johnson) Merwin. On 14 Dec 1963 in St James Episcopal Church, Knboxville, TN, mar. Mary Joann Carney b. 19 Aug 1939 in Corinth, MS, a dau. of Leslie Freeman & Dorothy (Bruce) Carney, by whom he had five children b. in Knoxville:

6449. Hugh Miles [12] Merwin b. 30 Aug 1965
6450. Rachel Carney [12] Merwin b. 3 Apr 1967
6451. Rosemary Hope [12] Merwin b. 14 Jul 1970
6452. Benjamin Tyler [12] Merwin b. 21 Mar 1972
6453. Daniel Thomas [12] Merwin b. 21 Mar 1972 (twin to Benjamin Tyler Merwin).

Hubert John Merwin graduated from Young's High School, Knoxville, in 1945. In 1951, graduated from the University of Tennessee with a BS degree in Transportation. He is currently Traffic Manager, White Lily Foods Co., Knoxville. He served in the US Arrmy in Paris, France, from 1945 to 1947 in an infantry company and later in Ordnance.
(Hubert John Merwin's fam. rec. dtd 30 Jun 1981; telecon of 27 Oct 1981; cor. dtd 7 Sep 1982).

tell where he served or what sort of duty he did except that from 6 Oct 1864 to 28 Oct 1864 he was hospitalized in an army hospital at Rock Island, IL, for "Malarhial Fever". He was discharged and mustered out on 11 Nov 1864 at Camp Discharge, near Philadelphia, PA. He drew $100 per month pension for many years.

His first application for an invalid pension [19] dated 19 Oct 1885 stated that he was, at the time, forty years of age; height 5 feet 7 3/4 inches, complexion light; hair brown; eyes blue. Also, that he was partially disabled due to the fact that he contracted a fever affecting his stomach on or about 1st day of Nov 1864 in the service and in the line of his duty at Rock Island, IL. A subsequent application dated 12 Feb 1915 stated that he resided in Camden, New Jersey, from 1909 until the date of the application (1915) and that his address in 1915 was 1169 Princess Street in that city.

The U.S. Census of 1870 for Salem P.O., Washington Twp., Washington County, IN, shows:

506	506	Morris,	Thomas Sr	59	MW	farmer	2500	1000	b. NC
			Julielma	60	FW	keeping house			b. NC
		Witter,	Wm. J.	24	MW	farm laborer			b. PA
			Margaret	23	FW	at home			b. NC
			Charles T.	8/12	MW	at home			b. IN

Thus, William James and his wife were living in 1870 with her parents; their first child was eight months old at the time.

After the death of his second wife, Elizabeth Brooks, William James Witter returned to Salem, IN, and lived with his youngest daughter, Grace Witter Trueblood, until his death in 1937. Also in William J. Witter's pension file is an application for burial flag showing that he died at North Shelby Street, Salem, IN, on 5 Feb 1937 and that he was to be buried "7 Feb 1937 in Salem Ind - Quaker Cemetery". The application was signed by his grandson, H. Duane McCullough. The date of death given here contradicts a statement by William J. Witter's grandson, Dr. J.C. Witter in his book From Then to Now which gives the date as 6 Jan 1937. One would think that the flag was obtained to drape over the deceased's casket, but it may have been obtained simply because a veteran's family has a right to it.

William Helmsley Merwin, Sr. graduated in 1956 with a BS degree in Industrial Management from the University of Tennessee. He has since been employed by Western Electric Company as an Industrial Engineer at Indianapolis, IN, Reading, PA, Winston Salem and Greensboro, NC. He served in the US Army Field Artillery in the US and Germany 1950-52. His wife attended the University of Tennessee and earned a BA degree in Biology in 1975 at the University of North Carolina. She currently is an Educational Therapist at Bowman Gray School of Medicine, Winston Salem.
(William Helmsley Merwin's fam. rec. dtd 12 Apr 1981).

On 22 Oct 1875, Margaret Rively sold [17] her home in Washington County, IN, for $500 to one William Hubbard, and returned to Pennsylvania. Her death certificate shows that Margaret Rively lived at 3824 Locust Street, Philadelphia, PA, at the time of her death. She died of Chronic Interstitial Nephritis and Arteriosclerosis and was buried in Mt Zion Cemetery, Springfield Road, Darby Township, PA beside her parents.

According to Grace Witter Trueblood, Anna and Emma lived with their mother in Philadelphia. Anna Rively is listed as "informant" on her mother's death certificate. Neither Anna or Emma married. Anna worked for many years at the Philadelpia John Wanamaker Department Store.

Records of the Highland Friends Cemetery, Salem, IN, show that George Washington Rively, Sr., and two children were buried there 23 Apr 1874. One of these children must have been Mary Rively, b. 1858, the oldest Rively child. The name of the other child is unknown since the other four known children of Wash and Maggie Rively were with Maggie Rively in 1880 when the family was living on Seventeenth Street in Philadelphia, PA. This is shown by the U.S. Census of 1880 which is as follows:

158 158 Rively, Margaret WF 37 Wid Keep House b. PA
Rively, George WM 17 son single Apprce Boy b. PA
Rively, Fanny WF 13 dau single school b. IN
Rively, Anna WF 11 dau single school b. IN
Rively, Emma WF 8 dau single at home b. IN

The U.S. Census of 1900 for the 40th Ward, Philadelphia, PA, shows the Rively family living on Farson Street, as follows:
1316 107 115 Rively, Margaret Head WF Feb 1843 57 Wid b. PA
Occupation: dressmaker; rents home
Rively, Anna dau WF Jun 1869 30 single b. IN
Occupation: dressmaker
Rively, Emma dau WF Mar 1872 28 single b. IN
Occupation: dressmaker

Note that George Washington Rively, Jr., was listed in the 1880 Census, but does not show in the one for 1900. He was seventeen years of age in 1880 and came of age before 1900. Perhaps he died. We have no way of knowing anything more than that he disappeared.

On 22 Oct 1875, Margaret Rively sold [17] her home in Washington County, IN, for $900 to one William Hubbard, and returned to Pennsylvania. Her death certificate shows that Margaret Rively lived at 2824 Locust Street, Philadelphia, PA, at the time of her death. She died of Chronic Interstitial Nephritis and Arterio-sclerosis and was buried in Mt Zion Cemetery, Springfield Road, Darby Township, PA beside her parents.

Records of the Highland Friends Cemetery, Salem, IN, show that George Washington Rively, Sr., and two children were buried there 23 Apr 1874. One of these children must have been Mary Rively, b. 1865, the second Rively child. The name of the other child is unknown since the other four known children of Wash and Maggie Rively were still alive in 1880 when the family was living on Seventeenth Street in Philadelphia, PA. Dear Cousin:

Your last letter informed me that your eldest son was due to graduate at Chapel Hill in May and begin residency in Pittsburg. Did he, in fact, graduate from University of N. Car.? Where did he get his BS degree and what year? What is his new address?

Is there any change in Richard or Janice's situations?

Please keep me informed. I'll put an article about William, Jr. in Milestones if you give me details.

Merwyn

(Carl Albert <erwin's fam. rec. & telecon of 22 Oct 1981; cor. dtd 30 Aug 1982).

Rivelyand their two eldest children; and sons William James and John B. Witter removed to Salem, Washington County, IN, in Feb 1865. We do not know why they chose to migrate to that particular place except that area of Salem, IN, was the center of a significant Quaker settlement and the Witters were Quakers. By deed dated 11 February 1865, J D purchased the Southwest quarter of the Northeast quarter of Section thirty-four in Township Three North of Range Three East. This was located in Jefferson Township, Washington County, IN. J D purchased the property from one John Attmore "late of the county of Washington in the State of Indiana now of the county of Delaware in the State of Pennsylvania". Accordingly, John Attmore apparently removed from Indiana to Delaware County, Pennsylvania, and then sold his property in Indiana to J D. The entire transaction took place in Philadelphia, and the deed was subsequently recorded (20 May 1865) in Washington County, IN. J D paid six hundred dollars for the property which consisted of forty acres of land together with buildings [7].

His daughter, Margaret Witter Rively, and son, William James Witter, settled there and remained. The U.S. Census of 1870 for Salem, Washington County, IN, shows William James residing with the Thomas & Julielma Morris family. Their dau., Margaret, was William James Witter's wife. The record shows that their son, Charles Thomas Witter, was eight months old at that time. The same census shows Maggie and Wash Rively and their four children living in the same area.

Catherine and Susan Witter, the other two living children of J D and Margaret, did not migrate to Salem with their parents and others in the family. Catherine had married and Susan lived with her sister Catherine Witter Buchanan and family until Susan was married in 1867. We know that J D and his wife lived on the farm in Jefferson Township, until, by deed dated 10 March 1891, they sold their land in Indiana for the sum of $450. The deed was executed in Delaware County, PA, and subsequently recorded in Salem, Washington County, IN. Four years later J D and his wife died in Darby, Delaware County, PA.

Dear Cousin Keith:

Your mother called me the other day and told me you made a visit to the Merwin Museum at Stockbridge, MA, and you took some pictures while there.

Would you be so kind as to send me copies of the pictures you took there? I would like to include an article in Milestones about the museum and pictures would add to the interest of the information.

Also, I am enclosing a dues notice in case you wish to re-instate your membership in our Association. If you are a member, you won't miss the article on the museum.

Dear Merwyn,

We truly regret the delay in sending this information to you. We are relieved that we still have the opportunity to be included in the family history.

We are very interested in ordering a copy of the original text of *The Merwin Family in North America* along with the supplement you are compiling. Could you kindly send us any information as to the procedure we should follow? We are very interested in our family history and genealogy.

I will be writing to Gaius Merwin in order to become official association members so we should finally meet at the next Merwin reunion.

Until then, we send our warmest regards to you and your family.

Sincerely,

Dear Marjorie:

Your dues notice on which you had a note was passed on to me for handling.

I had a record of Stephanie's birth because Keith, who is a member of our Association, had sent me an update on his family.

I wrote to all your children. Only Keith and Gary replied. I am enclosing the entries I now have for all your children. These will go into Volume III just this way unless you wish to make some additions or corrections. Please make certain all the addresses are current. Jeffrey's entry does not give his occupation or current employer. Are any of Bonnie's children married?

So many of the people I write to never reply despite sending a follow-up letter. I guess they do not bother to reply when there is no change in their entry. Of course, that leaves me high and dry. Any help you can give me will be much appreciated.

Best regards,

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Dear Cousin Merwyn,

Many, many thanks for your prompt letter of 22 September, 1993. All the information therein is very much appreciated.

I can only apologize for being tardy in reply. Between establishing a new nest with my "bride" in Halifax (she is still a city girl), then a spell in hospital last fall, the time fairly flew past the usual chores related to getting ready for winter, the Christmas season, etc., etc.

However, I now return a copy of my family entry with a few corrections and additions, noting in particular, that I am "p. 181 III (5244-01) James^{11}" and that 6469-06 James^{12} is my son, James Milroy Merwin, b. 23 Jan., 1956.

I have added also the beginning of a family entry for my sister "5244-02 Margaret Diane ^{11}Merwin", but the detail for the rest of her entry will be forthcoming from her.

As you requested, I have duplicated all the appropriate material for both my sister and for my four children. It will be interesting to see what they produce.

I note in passing that the detail concerning my sister and I as it appears on pg. 18 III is incorrect, but of course it is corrected to some degree by the listing on pg. 181 III.

The listing you forwarded of my ancestors, and the details of the first five generations are also very much appreciated. In this regard, please find enclosed a money order for $5.00 U.S. to help cover that expense.

Concerning the reprint of Vol. I, yes, I would be interested and I have mailed a notification (snipped from one of the Milestones) to Treasurer Gains. Hopefully there will be sufficient numbers for a reprint.

Once again, thank you very much for your time and efforts. My whole family has discovered what a time consuming past time this can be, but it is fun for all and much appreciated.

Sincerely

(James Herbert(II) Murwin)

Dear Cousin Jim:

Many thanks for your letter dated 4 September. The delay in answering was caused by a trip to the Canadian Rockies (Banff, Lake Louise, Jasper Park, etc). Yours is a beautiful country. My wife, Betty , and I were particularly impressed by the cleanliness of your cities.

Enclosed is a draft of your family entry as I now have it. I have made no attempt to include your grandchildren since it is always best to ask the parents for information about their children and spouse. You will note we like to get much detail of each family including biographies. Most grandfathers (including me) do not have all the detailed information about these things. Enclosed is a Merwin Family Record sheet. Will you please have this duplicated (both sides) and give them to each of your children and your sister? I would appreciate it. We would, of course, welcome any of your children and your sisters as members of our Association, but, since their birth names are Murwin, we would want their family information whether or not they become members.

Now you asked about your lineage. The Lineage Locator would not be of help to you since the Murwins were discovered after that publication hit the street. Accordingly, I have researched your line back through Volumes III, II and I and prepared the listing shown on the enclosed sheet. Since you have Volumes II and III of *The Merwin Family in North America,* you have the detail on the sixth generation on to yourself. Enclosed are copies of pages 1, 6, 18, 39, and 71 from volume I. these will give you the details of the first five generations in your line. We would appreciate it if you would send me a check for $2.50 made out to Miles Merwin Assn. to cover the costs of photocopying and handling this. We do provide some research without charge, but we appreciate reimbursement for expenses involved.

As you may have seen in Milestones No. 103, July 1993, we are asking persons interested in obtaining a copy of Volume I reprint to let us know. I suggest it would be well worth the price of $80.00. If you are interested, let me know. We must have a minimu of ten copies ordered to have the run made.

Thank you for your check in the amount of $2.50 for the balance of your dues. I shall pass the check on to our treasurer, Gaius.

Dear "Cousin",

Thank you for the Association membership information. That, with the Vol. II and III which arrived under separate cover, has provided endless hours of interesting reading, study and conjecture.

Your suspicions are correct, I am the son James (11) of Herbert Franklin Murwin. The enclosed family record will update some of the information on page 181 of Vol. III. I will have to obtain the similar details for my sister Margaret (5244-02) who lives near Windsor, Ontario. As a matter of fact, we might even get her to join the Association, as she is the one who has maintained more family interest and connections because of her situation.

Incidentally, her second name is Diane, not Helen (mother's name) and her birthday is 12 Sept. 1935. Her children are married of course, with families of their own, so I'll see if I can chase up that information for you.

Something we are both interested in doing is Tracing back our lineage and I am wondering if you could suggest how this can best be done, noting that the Lineage Locator is no longer available.

Again, thank you for your time and efforts, the material is much appreciated by all concerned here in Nova Scotia.

Enclosed also is a money order for the outstanding amount of $2.50 U.S. with our apologies. That's what comes of procrastinating so long since stopping to visit Gaius W. Merwin, Jr when we were travelling through New Hampshire late last year! Hopefully we will now be able to Keep more up to date.

Thanks again and if any further information can be provided, please do not hesitate to ask.

Yours Sincerely

(James H. MURWIN)

Dear Mr Buchanan,

Some time ago, my brother James Merwin, forwarded the enclosed information sheet to me, and with an occasional reminder, I have finally gotten pen to paper! It is so interesting to discover one's roots — Having been the branch of a family tree which left the country — tracing one's genealogy becomes harder - My brother has shared quite a bit of Merwin History with me - Or should say Merwin history. I hope someday to find out the "real" story behind the Merwin,

(2)

Merwin & Mirwin split - We have listened to Grandparents - uncles & Aunts stories ___ maybe sometime we'le find the real story!!

I have been helping research my husband's Paternal & Maternal Genealogies - & I am so happy to at least finally get some from my side ___ now if I could find someone to Help me with my Mothers MENDENHALL - It would be Great.

Thank You - I have also sent Membership & Registration fees to G W Merwin Jr -

Yours truly
Margaret

Dear Cousin:

I have a couple changes and updates:

Ella Josephine Schofield both was born and died in Fulton.

Omit

(a note of interest to you might be a story my Grandfather told me: One of the members had donated a bell to our church. Since my grandfather was fifteen, he was old enough to be working with the men hanging the bell in the bell tower. He remembered that as they were working, someone coming down the street to tell Mr. Scofield he'd better go home because his wife had just had a baby girl. Little did Grandpa know at the time that the baby would grow up to be his wife. He also said that several times while as a young man courting other women, he would let this little red haired girl ride along in the carraige. He liked that red hair so much he just had to wait for the little girl to grow up so he could marry her.

Dear Cousin:

Perhaps you have heard that our Association is writing Volume III of The Murwin family in North America. Mrs. Ruby Murwin Cabibbo gave me your address so that I might write you. We would like to include your family entry in this volume since we know you are descended from our immigrant ancestor, Miles Merwin (1623-1697).

There is no obligation or expense on your part. Our only aim is to include all the descendants of Miles [1] that we can locate.

Will you please fill out the enclosed Murwin Family Record sheet and return it to me. We would also like to include a brief biograpy of you and your wife along the lines shown below.

May I have the addresses of your sisters, Carol and Esther? I would like to write them for their entry data.

I am hoping you will reply promptly because we are approaching the deadline for completing the manuscript.

Best regards,

Merwyn

Dear Mrs. Phillips:

Our Association is preparing Volume III of The Merwin Family in North America. Through some research and the capable assistance of Mr. Bernie Farmer of Edgerton, we have discovered that the Murwin family of Rock County, WI, are descendants of Miles [1] Merwin, our immigrant ancestor.

This is true even though your branch of the family spells the name with a "u" and others use an "e". In the 1600's in England, a form of handwriting called secretary's hand was in use. In that form of handwriting, the e was written like a u. Accordingly, some Merwins use a u and others an e.

Enclosed is a draft of the George Murwin line which connects your family with the line from Miles [1] Merwin. I would greatly appreciate it if you would give me any needed correction or addition to this draft so that the information may be entered as accurately as possible in our publication. Please fill in any blank spaces you can.

Where addresses are shown, I shall write those individuals for information about their immediate families.

Please understand there is no cost or obligation connected with this request. Persons born Merwins and their spouses are included in the book without charge. However, if you would like to become a member of our Association, we are enclosing a dues form for your convenience. We have over 600 members and have been in operation since 1956, published two volumes of genealogy detailing descendants of Miles [1]. We publish a newsletter three times a year to inform members of the doings of Merwin. We also hold regional and national reunions. One was held in Wausau, WI, a couple of years ago.

We are getting close to publication time for our new genealogy. I would appreciate your corrections and additions as soon as possible.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

Perhaps your mother-in-law told you we are in the process of preparing the manuscript for Volume III of The Merwin Family in North America.

Enclosed is a copy of your husband's parents' entry and a family record sheet. Please fill this out and return it to me. Also, fill out a brief biography of yourself and spouse as suggested.

To be included in Volume III, you must join our Association. This is necessary because you were not born a Murwin and it is an Association rule. A descriptive booklet about the Association is enclosed for your information.

Please reply promptly since we are closing in on our deadline for publishing.

Best regards,

1- Preparation of Volume III
Today I am turning over to Charles Merwin the draft of Volume III containing 328 pp of text so that he may edit and proof-read it. The Introduction is still to be written, and the index of names must be added when the manuscript is completed. The Index for Volume II contains ninety-nine pages and the Introduction nine pages. Thus the final manuscript will contain approximately 436 pages. In Volume II, the eleventh, twelfth and thirteenth generations took 287 pages. In Volume III, the same generations are expanded but fill only 191 pages. The reason for this apparent contradiction is the fact that Vol. I was written with each line 1-1/2 spaces apart. Volume III is single spaced. Thus, we have conserved space and the final manuscript will be about 440 pages instead of 957.

I have obtained a quotation from Port City Press to print Volume III. Attached is that quotation developed for 400, 500 and 600 copies. We must decide the quantity to have printed and the per copy cost.

2- Volume III Completion
I have contacted virtually all people possible to get up-date information. Unfortunately, there are many people I have been unable to get information from because of one of the following reasons:

a. Mail addressed to the address in our files was returned as undeliverable. Effort was made to contact syblings or parents by mail primarily and, in some cases, by telephone.
b. People never answered a letter in which case I wrote a second which was not answered.

A number of things contributed to our failure to obtain some up-date information. One is the increasing divorce rate. If the Merwin is a male and has been divorced, he is not interested in family matters even to the extent that he has no interest in, or does not know, the location of his children. Another is the fact that an increasing number of persons are co-habiting without getting married. Also, many are deferring marriage to complete long years of schooling or engaging in a career. The married children of eleventh generation female Merwins shown in Vol. II are less interested than their mothers particularly when you explain that they must join our Association to have their families in the book. Despite these problems, I feel we have done the substantial part of the job. You can see evidence in the two previous volumes of persons who would not give information. It is just that this is an increasing trend.

3- In October 1989, we published a new Association booklet. On advantage of this one over the new one is it contains fewer pages than the previous one and is, therefore, lighter. The postage to mail new members their welcoming letter together with a copy of Milestones, the address list and the Associaton booklet was $1.25 in the USA is now $1.05, a savings of $.20. or 16%.

4- Milestones

We experimented with a 10 page issue beginning with #89, September 1989. We found it did not increase postage to US destinations. However, mail to Canada must be sealed. The newsletter plus the envelope increased the postage to $.45. (One ounce is $.30). Another effect of the additional page was the printer is raisine his price because of the difficulty of folding ten pages. It must be done by hand. The increased cost will be $70.00 per issue. If you agree, we shall return to the eight page format which may necessitate delaying reports of some vitaql statistics, but that is not serious. The ten page issue was tried largely because of the addition of an unusually large number of new members and an increase in reporting for Volume III as well as Milestones.

5- Merwins Outside the USA

We should consider raising the cost of membership to persons living outside the USA. There are a large number in Canada, one in England, and our missionary cousin who moves from Korea to china to Canada. The price to these people should be in US funds. The Canadians who pay $10. Canadian are actually paying about $8.30 US less exchange fee.

FEDERAL WAY WA 98003

Dear Cousin Carol:

Thank you for the information you sent to Gus Merwin regarding Chris and Dena in your letter dated 12 November.

I had corresponded with Dena and obtained her family information in 1993. Enclosed is a draft of her family entry which I have updated for their child. If any corrections or additions are required please let me know.

Dena asked me to send family record forms to her two brothers. I did that, but have never received a reply.

I am always pleased to update records on all Merwin/Murwin descendants, but I should remind you of one thing. For descendants of female Merwins/Murwins, we can only include their children. When grandchildren are to be added in any published update of our genealogy, we must require the parents of the children to become members. Although I have recorded Rena's child in the Association records, her child would not be listed in a new genealogy unless Rena became a member of the Association. I think you are aware of this rule which was used on Volume III of *MFNA*. I sent family record sheets to your sons in the hope that they might become members. Apparently neither of them are interested. Accordingly, I will accept information about them and their families, but the data can not be used until they join.

This does not mean that we can not report the birth, marriage or other event about your grandchildren in Milestones. Since you are a member, we are delighted to report changes in your family down to your great grandchildren.

In my file on your family , there is much correspondence on your Schofield and Merwin lines. At one point, I furnished you with your Merwin line back to George^7, and you wrote me there were some things which needed changing and some additions to be made. Perhaps now that you are retired you can review that material and fill in some of the blanks. I will be pleased to get any changes you find documented.

According to my records, you have not purchased the *English Ancestry of Miles & Elizabeth (Powell) Merwin.* I suggest you do so since this book will correct all of the old erroneous ideas Merwins have had about our immigrant ancestor as well as providing his antecedents in England. Enclosed is a listing of our publications for your convenience.

Dear Cousin:

Some time ago, I sent your mother a Merwin Family Record form and asked her to pass it on to you since you are a Merwin descendant and we wanted to record your marriage in our genealogical records.

I guess you laid the form aside and forgot it. At any rate, I am sending you another form. Won't you please complete it and return it to me while it is on your mind?

Sincerely,

Dear Cousin:

A note on your dues notice informed us of the marriage of your daughter, Alena. We were unable to place a notice of this happy event in *Milestones* No. 100 because of space limitations. However, it will certainly be in the next issue.

Would you plese have Alena fill out the enclosed Merwin Family Record sheet? That will give us all the information we like to include in a notice, and add to our genealogical records.

Your help will be much appreciated.

Best regards,

Dear Cousin:

Gaius Merwin passed your dues notice on to me so that I might report your daughter's marriage in *Milestones*.

I Would like some details about her marriage such as where it was held and some information about Gary. May I have their address?

When I receive a notice such as you sent me, I refer to my records to be certain I have information on the person involved. To my dismay, I checked page 182 of Volume III, *The Merwin Family in North America* and found that you have four children but Alena was omitted! On 10 April 1990, months before Volume III was published, I sent you a draft of your family entry and it showed the omission of Alena. I wish you had caught the error and let me know then. Although this is water over the dam, I am preparing a correcting entry for my records to make sure that the record is set straight for the next volume to be published.

Mrs. Carol Murwin Goodmanson

Dear Cousin Carol:

Thank you for the wealth of detail you sent me with your letter dated 31 March 1990.

Enclosed is a draft of your family line, as I now have it, from George (7) Merwin down to you.

I was surprised that you knew so much about the Merwin family. Until now, I had no indication that anyone in your line had contacted other Merwins. I know, personally, Margaret (Mrs. Russell) Merwin of Indian Lake since she comes to our annual reunions regularly. She is a lovely person.

We do not yet have proof that the Merwins are of Welsh extraction. I know everyone assumes they came from Wales because the name is Welsh. We have only proven, so far, tha Miles [1] Merwin and his father were born in England.

I am always skeptical about these "three brothers" stories. That is the first I have heard it in the Merwin family. Can you give me the name and address of the person in Hot Springs who wrote that letter of which you sent me a copy.

The best way of knowing when Volume III of *The Merwin Family in North America* has been published and is ready for sale, is to become a member of our Association. You would then receive *Milestones* three times a year, a booklet describing the history and activities of the Association, and an address listing of members. A form is enclosed for your convenience.

Also enclosed is a copy of our Abigail Merwin Scofield entry for your information. We could not use much of the Scofield information you sent me because this is the Merwin genealogy and we can not pursue other lines except to mention them in connection with Merwins. To do otherwise would be too voluminous and expensive.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

Thank you for your letter to my mother, Mrs. Mabel Murwin of Edgerton, Wisconsin. Our family is very interested in the MILES MERWIN ASSOCIATION, INC., since both lines on my father's side go back to Miles Merwin.

I have sent forms to the several families for correction and updates. The information I have is enclosed with this letter.

As I mentioned to you, our family had kept a record book or journal as they traveled across the country. This book was in the possession of Ruth Bentley Rooney. It had been passed to her through her mother, Rose, from Maria Murwin Drown. In the 1970's My mother was passing through Chicago, and called Ruth to see if I might use it. It was then that Ruth told Mother that she had just recently thrown it away thinking no would be interested in it.

Many times my grandfather, O.P. Murwin told me about our family being desended from a Welshman who came to the Massachusetts, then settled in Connecticut. He told me that at the time of the Revolutionary War there were three brothers living in Philidelpha. Because they were Loyalists their properties were appropriated. They each went in different directions; One south to the Carolinas; one west to Michigan; and our branch through New York and Ohio to Wisconsin. It was at that time that the spelling was changed by our family.

The letter from Hot Springs, Arkansas, that I've enclosed seems to follow that story. In the 1950's a Mr. Merwin from Alabama, came to the Highway Trailer in Edgerton, on business. Someone there told him of Murwins at Fulton, and arranged to bring him to meet my father, Chester. Mr. Merwin said that an aunt in Charleston, had told him the same story of three brothers living in Philadelphia at the time of the Revolutionary War; their being Loyalists; and each going a different direction to resettle. So apparently his family is desended from the brother that went south. Another common interest between he and my dad, was that his daughter was a young teacher in Alabama, while I was a new teacher in Wisconsin.

I am enclosing the Scofield history too, as this line also goes back to Miles Merwin.

I would be very interested in obtaining a copy of The Merwin Family in North America. Please let me know when it will become available. My brother Tom said he will get a copy of the Book I, you recommended. Hopefully that will help to fill the missing generations.

I am also looking forward to receiving the newsletters. We have enjoyed the copies of "Milestones" sent by Mrs. Margaret Merwin of Indian Lake, New York.

Sincerely,

Carol Goodmanson

Oliver Phillip Murwin founded a grocery business in 1893 which at the time of his death was operating as O.P. Murwin and Sons. He was active in township and county affairs. He was clerk of Fulton Township for twenty years, clerk of Fulton state graded school for many years and served as clerk of Fulton Congregational Church for twenty-five years. He was the oldest member of the church, joining 14 Aug 1880. His steadfast allegiance to the Democratic party merited the title Mr. Democrat of Rock County. He and Mrs. Murwin seldom missed a county meeting of the Democrats and they frequently attended state conventions. He lived his entire life in the home where he was born. His life span covered the ox cart era, the automobile age and airplane transportation. His wife worked with him for over fifty years in the grocery store. She was an active member of the Fulton Congregational church and the Ladies Aid Society. She served on the Fulton school board for many years.

Anna Prettijohn Murwin, wife of Oliver, was b. in Devon England and came to this country with her parents in 1849. In 1860, she moved west to Wisconsin. She joined the First Congregational Church as a young woman and taught Sunday School for many years.

George attended College at Garrettsville

1831-24. George [8] Merwin b. 4 Jul 1843 in Garrettsville, OH; in 1891 living at Fulton, WI; d. 30 Oct 1918 in Fulton, Rock county, WI; bur. there. In Mar 1878 in Minnesota, mar. Mary Huntley. They had no children. He was a blacksmith by trade and occupation.

George Merwin, Sr. learned the trade of shoemaking, probably with his brother, William in Sidney, and his father at Hector, NY. He went to Trumbull, Ashtabula County, OH, in 1833; in 1838 he was in Rome, Ashtabula County; in 1840 to 1844 to Garrettsville, Portage county, OH where he engaged in the manufacture of boots and shoes with his brother, Gould Bradley Merwin; in 1846, he was at Almont, Lapeer County, MI. He returned to Ohio the next spring where he settled until 1855 at Hiram, Portage County, OH. He and his son, Oliver, had made several trips (bringing horses) between southern Wisconsin and their home in Garretsville, OH, before deciding to settle in Fulton, WI, in 1854. They operated a grocery store in part of the building now known as the ~~teh~~ Wilke house soon after their arrival, but did not purchase the

property until 1864 when the son, George II, returned from service in the Civil War. In addition to his grocery business, George II also had a blacksmith shop until 1925; and with his brother, Oliver I, ran a boot shop. They believed in being diversified. George Murwin I na dson, Oliver, lived in the housethat most of the local residents remember as the O.P Merwin house.

About 1893 Oliver's two sons, O.P. and Herbert, decided to enter the store business. For a few years they conducted their business on the first floor of Stewart's Hall. In 1897, the old school building which had been located on a lot between their father's house and the Kramer blacksmith shop, was moved to the corner lot when the blacksmith shop was dismantled. The building itself is of historic value because it was the original fram school-house built in 1847, which had been moved to the previous location when the brick school-house was built in 1864-65. A rear wing was added to the building. The brother, Herbert, remained as a partner until 1898 when he went to work at Sears and Roebuck and Compasny in Chicago. He passed away in 1900.

For thirty years O.P. Murwin and his wife, Ella Scofield Murwin, conducted the store. It became a familiar landmark and was the hub of the village. In 1927, a son, Chester, and his wife purchased the business. Oliver III was a partner from 1956-1958 when it was sold to "Mike" McGuire.

Dear Cousin Ruby -

We are happy to learn you had a safe trip home. But my dear, what a ride! Here I had pictured you in some nice motel, having a good restful night. It's a good thing I did not know about it, other wise —

I cannot tell you how much your visit meant - and how much I appreciate your having made it possible, and Cousin Chester as well, for being so understanding and willing for you to do it, especialy at such a busy time. As I know you would never have done it, against his wishes

When I first saw Cousin Edna standing there, so sweet, and smiling, in her lovely blue bonnet, for one awful moment, I thought I was going to burst in to tears. (And I am not a weeping Person)

Thank you so much, both of you.

For such short acquantance, you all seem so dear to me. Perhaps it is all the years of lost family ties reunited. Please do not think it bold, or strange I call you all my cousins. My mother always said the only diffence in family relationship

This letter was sent to us through Ruby (Mrs Chester) Peters of Edgerton, Wis.

It seems to tell the same story that our family had been told.

I did not really give you to much information on the Merwin family. It is quite a thing to wade into. Miles Merwin 1st came to American in 163
(at Dorchester mass.)
with the Dorchester Colony - Later went to Windsor Conn, still later to Milford Conn. His grandson Daniel, went to Durham Conn - This is the line I come down from. Miles 1st had sons, John - Thoma
Samuel Daniel - Miles IInd. In so far as is known, all Merwins in America, decend from these sons.
The name has diffent ways of spelling from days of Medevil Wales. I would like in paticular to find decendants of Rev Daniel Merwin who migrated to Genasseo Co. New York, on in to Michigan. Also where he last lived and is buried. One of his sons taught school at St Catharines Canada, and lived at Wilson N.Y. Not to far from St Catharines
I would have to look up my records to go in to detail, and they are packed in trailer to go to Penna. There are many Merwin decendants from the diffent lines, who settled in Michigan, Ohio California and mid western States.

I would like to know which line Mr Murwin decends from, who his parents - grand parents or far back as he knows, and where they came from.

He may have done far more research than I have. I would like to find at least one decendant, of each of Old Miles the first, sons. As well as those of the Rev Daniel of Geneseo, N.Y. I will be glad to give him any information I may have, that he does not have, if he cares for it. Thank you for the enclosed envelope, and your thoughtfulness - (It also serves as a gentle reminder.) and getting in touch with Mr Murwin, that was quick work.

I intended to ask you if you wanted any oriental bitter sweet or pink wisteria. It is rare, I have never seen another. It was beautiful up in the old tree. It is about the color of the pink acasia. The ~~little~~ blue wisteria had some blossoms two feet long and in huge clusters - We are busy trying to catch up on garden work long over do, before going in Missouri in May. It has been very hot, up to 92 - then next day down to 64 - It really works ones thermostat over time, to adjust to climate.

John is taking his favorite exercise, following the mower.

Affectionate regards to you both

I would like to know which line The McKinnons

I would like to have at least your statement of each of
Old Malcolm's first name, as well as those of the
Rev Daniels of Geneseo, N.Y. I will be glad to give
him any information I may have, that he does not
know of McKinnon line. Thank you for the enclosed
snapshot and your thoughtfulness (it also serves as
a gentle reminder) and getting in touch with Mc-
Kinnons, that was good work.
I intended to ask you if you wanted any potted
yellow orchid or pink window. It is new, I have never
seen another. It was knocked up in the old house.
It is about the color of the pink cosmos. The little
blue window had some blossoms but first long and

SCOFIELD

Etymology of the name: Scolfield, schole, scole, a hut or shed. Forerunners were Norse who originated in Denmark.

(1) DANIEL SCOFIELD[1] was said to be the grandson of Sir Cuthbert Scofield of Scofield Manor, Rochdale (near Manchester), Lancashire, England. This is doubtful, since Sir Cuthbert divorced his wife for adultery and had his only son, Alexander, declared illegitimate. Daniel Scofield came to New England in 1635 in the ship Susan and Ellen, going directly to the home of Richard and Mary Scofield at Ipswich, Massachusetts. Richard Scofield was a tanner and was believed to be Daniel's brother; he had come to America a year earlier in the same ship at the age of 22.

Daniel Scofield is recorded as living in Ipswich and Wethersfield, and in 1641 he headed a company who founded Stamford, Connecticut, December 7, 1641, being granted two acres, homelot, and woodland in the Indian district called Rippawams. Richard and Mary soon followed Daniel to Stamford and they lived on adjoining lots for the remainder of their lives. Both Richard and Daniel were higly esteemed in the community and held public office, Daniel holding office as Town Marshall. Richard died in 1670.

Daniel Scofield is said to have married Mary Youngs, daughter of the Rev. John Youngs of Southold, Long Island. According to his will, however, his widow is named Sarah, so he must have had a second wife, who was younger than he. She later married Miles Merwin as his third wife and lived with him and his family in Milford, Connecticut, where she died March 5, 1698. Miles Merwin was the father of Abigail Merwin, who married Daniel Scofield 2nd.

Daniel Scofield the father, who was probably born about 1595, died before May 10, 1670, because that is the date on which his will was probated. His will was dated Sept. 4, 1664; it gives his wife a third of the estate, with the use of her house for her lifetime; to his daughter Sarah, five pounds and to her children, five pounds; to his other children, Daniel 2nd, John, and Mary, the rest of the estate. A son, Richard, born in 1634, is not mentioned and probably died before his father. Another son, Joseph, died of wounds received in the King Phillip's Wars. He was unmarried and his property was divided between his brothers and sisters.

FOURTH GENERATION

25 SAMUEL SCOFIELD^4 married Elizabeth Ambler on March 1, 1743/4 at Stamford, Conn. The marriage record gives his name as Samuel Scofield 3rd, and this title appears on his Revolutionary War record. This has been the source of considerable confusion among genealogists, because of the number of Samuel Scofields who were living in Stamford at that time. Samuel Scofield 3rd lived at Newfield, the north part of Stamford. His first wife is mother of all his children. He later married (2) Deborah----. His will was dated 22 June 1798, proved 27 Feb. 1800 (S. P. Mead's Abstracts of Probate Records, Stamford, Conn., 1728-1802:307) Wife Deborah; and children Rachel, wife of Samuel Waterbury; Rebecca Curtis; Hannah Wildman; and Samuel, Stephen, David, Ezekial and Nezer Scofield. Executor, Reuben Scofield; witnesses, Reuben Scofield, Jr.; Jesse Hait, Jr.; and Reuben Scofield. Inventory was taken 27 Jan. 1800 by William Crissy and Warren Scofield, and filed 26 Aug. 1801.

Samuel Scofield 3rd is listed among "men that served at home but did not go to the Saw Pitts or West Chester", 9th Regiment Militia, 1776, General Wooster. (Page 486, Connecticut Men in the Revolution, compiled by Adj. General, published in Hartford, 1889.) He died between June 22, 1798, and Jan. 27, 1800.

(The immigrant ancestor of Elizabeth Ambler was Richard Ambler, who was recorded in Stamford in 1666, aged 55. By wife Sarah he had several children, including Abraham, who was born Sept. 22, 1642 and came with his father to Stamford. Richard Ambler lived until 1699. Abraham married Mary Bates Dec. 25, 1662. Their son John, (b. Feb. 18, 1667, d. Nov. 4, 1711) had a son John, (b. Feb. 15, 1695). The latter married Elizabeth ----- and had Elizabeth, b. Feb. 5, 1722/3, who married Samuel Scofield 3rd.

Mary Bates was dau. of Robert Bates of Wethersfield, 1640, removed to Stamford, d. there June 11, 1675. The English ancestry is traced to Sir Gerard Bate, Lord Mayor of London, 1248.)

Children of Samuel Scofield 3rd and Elizabeth:
37 Samuel, b. Dec. 26, 1744; d. before May, 1763.
38 Elijah, b. June 17, 1746; presumably d. young.

33 SILVANUS SCOFIELD^4 b. Dec. 10, 1730, m. Hannah Seely, daughter of Nathaniel Seely and Elizabeth Holly, on Jan. 12, 1748/9.

Silvanus Scofield is listed with Samuel Scofield 3rd among "Men that served at home but did not go to the Saw Pitts or West Chester."He was discharged Jan. 28, 1777, 1 month, 21 days. (However, since there were in Stamford at least four men of the same name who were of an age for service, there are also four service records.)

(Nathaniel Seely, b. June 19, 1695, son of Obadiah, son of Obadiah, who was the son of Capt. Robert Seely of Watertown, Mass., who settled afterwards in Wethersfield and became famous as a Lieutenant in the Pequot War and still later in the New Haven force under Sedgwick and Leverett against New Netherlands. Capt. Robert Seely came to Massachusetts with Winthrop in 1630. He was a surveyor.) (Hist. of Stamford.)

(Nathaniel Seely married, April 12, 1722, Elizabeth Holly, who was born March 4, 1697/8, dau. of John and Hannah (Newman) Holly, who were married April 2, 1679. John Holly was the son of John Holly, the immigrant, who was one of the most prominent of the early settlers; Marshall, 1647; Collector of Customs; Selectman; Associate Judge, 1654; Commissioner of Fairfield County Court, 1658.)(Hist. of Stamford.)

FIFTH GENERATION

42 NEAZER SCOFIELD^5 married 52 THANKFUL SCOFIELD^5 on August 17, 1775. Neazer Scofield served 11 enlistments in the Revolution in addition to being called out a great many times on alarms which are not recorded. In addition to serving as town guard at Stamford and Stanwick, he served six months in Capt. Reuben Scofield's company in Col. Enos' Regiment, at which time he marched north to act against Burgoyne, going as far as Fishkill. (This was the same time and place where Nehemiah Hurd served.)

From the many pages of records sent me by the National Archives, I have selected the following document:

State of New York
Saratoga SS Personally appeared before me the undersigned a Justice of the peace in and for said County NEZER SCOFIELD who being duly sworn deposeth and saith that by reason of old age and the consequent loss of memory he cannot swear positively as to the precise length of his service but according to the best of his recollection he served not less than the periods mentioned below and in the following grades

For 15 days I served as a private as a substitute for Ebenezer Weed under Capt. Betts at New York as stated in the annexed papers. I was then attached to Col. John Mead's Regiment. For twelve days I served as a private under Capt. Simeon Seleck (?) as a volunteer. For two menths I served as a private under Capt. Jesse Bell in Col. John Mead's Regiment at New York in 1776 as stated in the annexed papers. For Twenty days I served as a private and as a guard under the same Capt. Bell & Col. Mead at three several calls out to Horseneck. For six days I served as a private volunteer under Capt. Benj. Weed to meet the British when they burnt ------Meeting House in 1778. In the same year I served six days under the same Capt. Weed at Crow Pond. For two months I served as a private at Stamford as a Town guard under Capt. Bell in Col. Mead's Regiment on a draft. Immediately after this I was drafted again and served as a private at the same town for a town guard under Capt. Charles Smith. For six months I served as a private under Capt. Reuben Scofield in Col. Enos' Regiment. For four days I served under the said Capt. Bell at the Battle of Richfield. For fifteen days I served as a private, as a town guard at Stamford under Capt. Handford Hoyt, Col. Mead's Regiment. He was called out on alarms a great many times but for this he does not claim, as he is informed that kind of service does not entitle him to pay. But for all the above services herein mentioned I claim a pension.
Subscribed and sworn this NEAZER SCOFIELD

Thos. J. Marvin Justice of the Peace.

Merwyn,

Enclosed some info that you needed on Allen & son Joseph.

You did not speak with my brother Oliver but rather his son Tim. Oliver & wife are still in Florida for another 2 weeks traveling. I'm afraid the biography from them isn't possible now. I can tell you that they both graduated from Edgerton High School. Oliver worked for General Motors," Janesville Wisconsin until his retirement last year. Pat for many years was a cook for Edgerton Schools.

I was not able to contact Brian + Julie Murwin this evening, but I will try again tomorrow evening.

I'm glad that you've made so much progress. I'll soon send my dues into G.W. Merwin as it says on the application.

Sincerely

Ruby

Dear Cousins:

We are in the process of preparing the manuscript for Volume III of The Merwin Family in North America.

Enclosed is a Merwin Family record sheet. Will you please fill this out and return it to me? Also, fill out a brief biography of yourself and spouse as suggested below.

Since you were born a Merwin, you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Use the enclosed dues form to join.

Dear Mrs. Borde:

Our Association is preparing Volume III of The Merwin Family in North America. Through some research and the capable assistance of Mr. Bernie Farmer of Edgerton, we have discovered that the Murwin family of Rock County, WI, are descendants of Miles [1] Merwin, our immigrant ancestor.

This is true even though your branch of the family spells the name with a "u" and others use an "e". In the 1600's in England, a form of handwriting called secretary's hand was in use. In that form of handwriting, the e was written like a u. Accordingly, some Merwins use a u and others an e.

Enclosed is a draft of the George Murwin line which connects your family with the line from Miles [1] Merwin. I would greatly appreciate it if you would give me any needed correction or addition to this draft so that the information may be entered as accurately as possible in our publication. Please fill in any blank spaces you can.

Where addresses are shown, I shall write those individuals for information about their immediate families.

Please understand there is no cost or obligation connected with this request. Persons born Merwins and their spouses are included in the book without charge. However, if you would like to become a member of our Association, we are enclosing a dues form for your convenience. We have over 600 members and have been in operation since 1956, published two volumes of genealogy detailing descendants of Miles [1]. We publish a newsletter three times a year to inform members of the doings of Merwin. We also hold regional and national reunions. One was held in Wausau, WI, a couple of years ago.

We are getting close to publication time for our new genealogy. I would appreciate your corrections and additions as soon as possible.

Best regards,

Merwyn R. Buchanan

Mrs. Patricia L. Murwin
903 Saddle Ridge
Portage WI 53901

Dear Mrs. Murwin:

Our Association is preparing Volume III of The Merwin Family in North America. Through some research and the capable assistance of Mr. Bernie Farmer of Edgerton, we have discovered that the Murwin family of Rock County, WI, are descendants of Miles [1] Merwin, our immigrant ancestor.

This is true even though your branch of the family spells the name with a "u" and others use an "e". In the 1600's in England, a form of handwriting called secretary's hand was in use. In that form of handwriting, the e was written like a u. Accordingly, some Merwins use a u and others an e.

Enclosed is a draft of the George Murwin line which connects your family with the line from Miles [1] Merwin. I would greatly appreciate it if you would give me any needed correction or addition to this draft so that the information may be entered as accurately as possible in our publication. Please fill in any blank spaces you can.

Where addresses are shown, I shall write those individuals for information about their immediate families.

Please understand there is no cost or obligation connected with this request. Persons born Merwins and their spouses are included in the book without charge. However, if you would like to become a member of our Association, we are enclosing a dues form for your convenience. We have over 600 members and have been in operation since 1956, published two volumes of genealogy detailing descendants of Miles [1]. We publish a newsletter three times a year to inform members of the doings of Merwin. We also hold regional and national reunions. One was held in Wausau, WI, a couple of years ago.

We are getting close to publication time for our new genealogy. I would appreciate your corrections and additions as soon as possible.

Best regards,

Dear Cousin Patricia:

Many thanks for your letter postmarked 24 January 1990. You sent it in error to Gaius Merwin, our treasurer. That is why it took so long to reach me.

Enclosed is a revised draft of your family entry as I now have it. Please give me the full date of your birth. If you wish, we shall include a brief biography of you and Oliver as suggested below your entry.

Each of your children showing a + sign are detailed in the 12th generation chapter. I have written them for some missing details. If your unmarried children would like to have their biographies included, ask them to send them to me. Will be glad to do it.

Your help is greatly appreciated.

Best regards,

Dear Cousins:

I am sure you are aware that we are engaged in writing the third volume of The Merwin Family in North America. We know that you are a descendant of Mile Merwin (1623-1697) and would like to include you in the book we are writing. And there is no cost or obligation to you.

Enclosed is a family record form which I would like you to complete. On it I have shown all I know about you and your children. Please fill in the missing information. It will take you only a couple of minutes. We would also like to have a brief biography of you both as suggested below.

Your prompt reply will be appreciated since we are approaching a deadline for completing the manuscript.

Best regards,

Dear Mrs. Murwin:

Our Association is preparing Volume III of The Merwin Family in North America. Through some research and the capable assistance of Mr. Bernie Farmer of Edgerton, we have discovered that the Murwin family of Rock County, WI, are descendants of Miles [1] Merwin, our immigrant ancestor.

This is true even though your branch of the family spells the name with a "u" and others use an "e". In the 1600's in England, a form of handwriting called secretary's hand was in use. In that form of handwriting, the e was written like a u. Accordingly, some Merwins use a u and others an e.

Enclosed is a draft of the George Murwin line which connects your family with the line from Miles [1] Merwin. I would greatly appreciate it if you would give me any needed correction or addition to this draft so that the information may be entered as accurately as possible in our publication. Please fill in any blank spaces you can.

Where addresses are shown, I shall write those individuals for information about their immediate families.

Please understand there is no cost or obligation connected with this request. Persons born Merwins and their spouses are included in the book without charge. However, if you would like to become a member of our Association, we are enclosing a dues form for your convenience. We have over 600 members and have been in operation since 1956, published two volumes of genealogy detailing descendants of Miles [1]. We publish a newsletter three times a year to inform members of the doings of Merwin. We also hold regional and national reunions. One was held in Wausau, WI, a couple of years ago.

We are getting close to publication time for our new genealogy. I would appreciate your corrections and additions as soon as possible.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

Welcome to the Miles Merwin Association! We hope you will enjoy your membership. Enclosed are the Association booklet, the October 1988 Members Address List, and an order form for copies of our publications.

I sent you the latest isswue of Milestones. Hope you enjoyed it.

Please keep me advised of any changes in your family and the other Murwins in you neck of the woods - births, marriages and deaths, etc. I will put them in our newsletter.

You would be interested in Volume I of MFNA since your family line ties into that volume. Volume II is just the addition of the tenth and later generations as we knew them in 1983. Might suggest that you order Vol. I fir you are interested. There are only a few left in stock, and they will not be re-published.

Best regards,

Dear Merwyn,

Thanks for the newsletter, it was interesting. I'm enclosing my check for joining your association. The only reason I didnt do it sooner was I often find myself going in circles trying to be a full time teacher, wife, mother of 2 teenagers, and a very involved community person. I just hadnt taken the time to sit down and take care of it because usually there were other things that *had* to be done.

I look forward to attending one of the reunions in the future and meeting you. We can not attend this year as we already have plans to be in N.Y. in August. Will you determine in June where & when the reunion will be for the following year? That would help us plan.

Thank You for reminding me to Join.

Dear Merwyn,

I've been out of town at a conference, so have not had time to do much in terms of contacting family members.

Mabel Murwin spends her winters with her son Tom in Georgia. Tom is a retired pilot and might be interested. His address is TOM MURWIN R6, Neeley Rd Fayetteville, GA 30214

Pam Phillips is a daughter-in law of my sister, Jeanette Murwin Phillips. She probably will send you something--- it may take awhile tho.

I will speak with brothers Robert, Allen + Wayne to get info. No problem.

Im puzzled tho by the

reference to Mrs Lloyd Apfel, daughter of James Stewart Murwin. How are these people related to me?

I do plan to join the association and your interest in my home remended me of Something else you might be interested in. There is a Murwin Park in Fulton, which is also where the majority of the Murwins in my family still live. There addresses are all Edgerton, because Fulton is an unincorporated village.

Enclosing a brochure, note pages 45 and 55 mention of Murwin Park.

Dear Merwyn,

It was very interesting to receive the information about Miles Merwin and the connection to my own family. There are however some mistakes. I am wondering about the sources for this information. I'm sure that the most reliable source for some of the information that Im aware isnt correct would be my mother, Lorraine Murwin.

The specific information that I could prove wrong would be on p. 2. pertaining to me.

Dear Cousin Ruby:

Received your welcome letter of 4 February today. Enclosed is a revised draft of your family entry along with all of your sisters and brothers.

When I originally wrote you and others in your family, all I could do was give each one I wrote some of the data I already had and ask for corrections and additions. When I got replies (very few), I then sent record forms to them asking for information in detail about their spouses and children.

Here are the persons I wrote to initially:
✓ Mrs. Mabel M. Merwin, Chester Warren Murwin's widow. No reply. I called on the phone, but no answer.
Mrs. Ella Bidwell, Walter George Bidwell and Theodore Bidwell. Called Walter F. Bidwell on the phone. He was not interested. Did tell me something about his deceased son.
Your mother, Lorraine R. Murwin. Have had no reply.
Mrs. Ella Flattem and Mrs. Ruth Vike
Mrs. Caryl O. Thronson, Mrs. Dennis D. Love ✓, Mrs. James C. Gorman. Also called on phone - no answer.
Mrs. Jeanette M. Phillips - talked to her on the phone and got a bit of information. Mrs. Benita Phillips, Mrs. Bonnie Jean Phillips, Mr. David William Phillips, Mr. Dennis Dale Phillips. Mrs. Jeanette Phillips gave me the addresses of her children on the phone. Had a phone call from a Pam Phillips, who must be a granddaughter. Said she was getting together all the info she has on her family for me. Even said she would join our Association. She is apparently quite interested in genealogy.
Daniel Robert Murwin - no reply.
Mrs. Franklin Duane Murwin - also called her on the phone. She said she would reply.
✓ Mrs. Oliver Phillip Murwin - no reply. Called her on the phone on 1 February. She said she had written me 5 or 6 days before I called and answered all my questions. Nothing has been received. (?)
Mr. Allen E. Murwin - no reply. Called him on the phone. Said he didn't know his son, Joseph's, address except that he lived in Janesville. I wrote Joseph without a street address. Allen wanted to know if I was "selling books". Was defensive and seemed to think I was

Mrs. Lloyd Apfel of Evansville, daughter of James Stewart Murwin. Also called her on the phone. She claimed she was interested, but no reply.

The original letters were sent to most of these people on 18 January. Some on 2 February. I have learned from experience that no reply in two or three weeks means you will get no reply. It would be most helpful if you or your mother would contact your brothers and sisters who have not given me info and urge them to fill out a record sheet. I am enclosing one. Please make a few photocopies and give them to them.

I appreciate the excellent picture of your home. We publish a newsletter about three times a year. In the next issue, due out about April, I am going to put in Milestones (our newsletter) an article about the Murwins of Wisconsin and how I found them. I shall include a picture of your home and make mention of it.

Also, enclosed is a dues form which you may use to join our Association. Understand, you need not join to be in the genealogy since you were born a Murwin. I just think you might enjoy being a member. I am also enclosing an Association booklet which gives the history and other information about the Association. We have over 600 members and are growing each day.

Mrs. Ruby Murwin Cabibbo:

Dear Cousin Ruby:

Many thanks for your letter of 26 January. I certainly appreciate hearing from you. I suppose that the house pictured on your stationery is your home. It is a great looking place. Is it stone or brick?

Yes there is always the possibility of errors in genealogical data. That is why it is so important that I contact as many of your line as possible.

Enclosed is a rewrite of your family entry as I now have it. Again, may I ask you to fill in the few blanks and give me a brief biography of both you and Joseph as suggested below the entry?

I agree your mother would be a good source of information. If you will give me her address, I shall be pleased to write her and give her all I have on her family. She possibly would help me with information about those who are not interested in family genealogy. On that point, please urge you brothers and sisters to reply to my letters.

I can assure you that the bulk of the information we have on your line of descent from Miles [1] is accurate. There may be some discrepancies, but with cooperation we shall find them and correct them. James Adair [6] Merwin is shown on p.71 in Volume I of The Merwin Family in North America which we published in 1978. His son was George Merwin, the first in the line leading to you as I sent it to you. This authenicates George's (and therefore your) line back to Miles [1] Merwin.

I do not sell books. If you would like to have the genealogy as presently available, order Volume I using the enclosed form. You would not be interested in Volume II because your line is not in it. However, I am certain you would like Vol. I. There are only a few of them left of our original publishing run. Volume III which we are now working on will carry your line from James Adair down to you and your children.

My immediate concern is to contact people in your line in the 10th, 11th, and 12th generations to fill in the blanks indicated in the entry which I sent you. Please urge your brothers and sisters to answer my letters. Does Bertha have children? Her husband graduated in 1967 from Whitefish Bay High School; attended MATC in Milwaukee, then University of Wisconsin at Milwaukee. He was employed for four years as a saleman resses of your uncle George's children? Some of them must be married and have children of their own. These are some of the questions I have. I do not want to give you a lot of work to do, but I would appreciate help along these lines. Give me addresses of heads of families and I shall write them for information.

Did not mean to run on like this. Again, thank you for your interest.

Mrs. Ruby M. Cabibbo

Stoughton WI 53589

Dear Mrs. Cabibbo:

Our Association is preparing Volume III of *The Merwin Family in North America*. Through some research and the capable assistance of Mr. Bernie Farmer of Edgerton, we have discovered that the Murwin family of Rock County, WI, are descendants of Miles [1] Merwin, our immigrant ancestor.

This is true even though your branch of the family spells the name with a "u" and others use an "e". In the 1600’s in England, a form of handwriting called secretary’s hand was in use. In that form of handwriting, the e was written like a u. Accordingly, some Merwins use a u and others an e.

Enclosed is a draft of the George Murwin line which connects your family with the line from Miles [1] Merwin. I would greatly appreciate it if you would give me any needed correction or addition to this draft so that the information may be entered as accurately as possible in our publication. Please fill in any blank spaces you can.

Where addresses are shown, I shall write those individuals for information about their immediate families.

Please understand there is no cost or obligation connected with this request. Persons born Merwins and their spouses are included in the book without charge. However, if you would like to become a member of our Association, we are enclosing a dues form for your convenience. We have over 600 members and have been in operation since 1956, published two volumes of genealogy detailing descendants of Miles [1]. We publish a newsletter three times a year to inform members of the doings of Merwin. We also hold regional and national reunions. One was held in Wausau, WI, a couple of years ago.

We are getting close to publication time for our new genealogy. I would appreciate your corrections and additions as soon as possible.

Best regards,

He and Mrs. Murwin seldom missed a county meeting of the Democrats and they frequently attended state conventions. He lived his entire life in the home where he was born. His life span covered the ox cart era, the automobile age and airplane transportation. His wife worked with him for over fifty years in the grocery store. Dear Mrs. Murwin:

Our Association is preparing Volume III of The Merwin Family in North America. Through some research and the capable assistance of Mr. Bernie Farmer of Edgerton, we have discovered that the Murwin family of Rock County, WI, are descendants of Miles [1] Merwin, our immigrant ancestor.

This is true even though your branch of the family spells the name with a "u" and others use an "e". In the 1600's in England, a form of handwriting called secretary's hand was in use. In that form of handwriting, the e was written like a u. Accordingly, some Merwins use a u and others an e.

Enclosed is a draft of the George Murwin line which connects your family with the line from Miles [1] Merwin. I would greatly appreciate it if you would give me any needed correction or addition to this draft so that the information may be entered as accurately as possible in our publication. Please fill in any blank spaces you can.

Where addresses are shown, I shall write those individuals for information about their immediate families.

Please understand there is no cost or obligation connected with this request. Persons born Merwins and their spouses are included in the book without charge. However, if you would like to become a member of our Association, we are enclosing a dues form for your convenience. We have over 600 members and have been in operation since 1956, published two volumes of genealogy detailing descendants of Miles [1]. We publish a newsletter three times a year to inform members of the doings of Merwin. We also hold regional and national reunions. One was held in Wausau, WI, a couple of years ago.

We are getting close to publication time for our new genealogy. I would appreciate your corrections and additions as soon as possible.

Best regards,

Merwyn R. Buchanan

Correction:
The family are members of St John Vianney Catholic Church, Janesville (WI); their wedding at St Joseph Catholic Church, Edgerton (WI), was the first event held in the new church building.

I think that we won't go any farther with Teresa biography since she is the only one of our children married at this time. Maybe at a later date if you do this again in years to come I thought you could add Teresa's marriage date since you did my niece's Dawn.

Dear Cousin Judith:

Thank you for your family record. Well done! Enclosed please find a rough draft of your family entry as we now have it. Please give me any needed correction.

I am sorry to say I can not include Teresa's family in the book unless she joins our Association because she was not born with the surname Murwin. The Board of Directors feels that a person not born a Murwin should be interested enough in the Association to be a member. Enclosed are a dues form and family record sheet for Teresa. Have her return them to me promptly since I must close the manuscript very soon. I must hear from her by April 10th. If not, I'll assume she is not interested.

Have her fill in the biography as suggested below.

Best regards,

Merwyn R. Buchanan

Dear Mrs. Love:

We are in the process of writing Volume III of *The Merwin Family in North America* and we recently discovered that you are descended from one Miles Merwin (born 1623) despite the difference in spelling of the family name.

We would like to include you and your family in the genealogy. In order to do so, would you please fill out the enclosed family record form and give us a brief biography of you and your spouse along the lines suggested below?

Please understand this is not a scam and there is no cost or obligation on your part. We only want to include all known descendants of Miles in our genealogy. If you wish to buy a copy of the book when it is published later this year, you may, but that is entirely up to you.

I wrote a detailed explanation to your mother on January 18th.

Sincerely,

Merwyn R. Buchanan

Dear Cousin:

We are in the process of preparing the manuscript for Volume III of The Merwin Family in North America.

You are a descendant of our immigrant ancestor, Miles Merwin (1623-1697) despite the difference in the spelling of the name. Mrs. Lloyd Apfel of Evansville gave me your address so that I could write you and invite you to have your family entry in Volume III. There is no cost or obligation. We are just seeking as many persons descended from Miles [1] as possibe.

Unfortunately, we just proved your line and obtained your name and address after two years of research on Volume III. So, time is of the essence. I hope you will fill out the enclosed Murwin/Merwin Family Record sheet for your family and return it to me as soon as you can. In fact, I must have it by April 1oth.

Also give me a brief biography of you and your spouse along the lines suggested below.

Best regards,

Merwyn

and he always told me that, that term of service was the only term he ever served in either the Military or Naval Service. At his death, he had applied for pension act June 17 1890 this claim No 679530.
I first met and knew my husband under his true name James M Merwin but I learned that many of his friends called him Charles for short and I thought I married him under the name of James M Merwin till we went to record our marriage. Then I found I had married him under the name of Charles M Merwin. He always told me the way he got the name Charles, he was named after an uncle of his and when a boy he went to Canada to live with another uncle and this uncle was mad at the uncle after whom he was named and would not call him James but give him the name of Charles he lived with that uncle for 4 years and his family after that for James generally called him Charley but his true name was James M Merwin. There are two other affidavits. One written by, presumably, his mother, Mary J. Merwin on 29 Aug 1892 at Snohomish, Snohomish County, WA, and one written by his brother-in-law, O.S. Davis. Both of these attest to the fact that James M. and Charles M. Merwin were one and the same man. O.S. Davis's affidavit written in the county of Kittitas, State of Washington, on 8 Aug 1893 stated he married a sister of James M. Merwin in 1869 and her name was Sybil. Entry MFNA 1296 on p. 393, Volume I, does not show that James M. Merwin had a sister named Sybil. However, descendant #2551 Phoebe A. [8] Merwin b. 27 Jun 1844 shows she mar. Oz Davis. This is probably an error in copying O.S. Davis or he was nicknamed Oz Davis. It seems likely that Phoebe and Sybil were one and the same person because the entry goes on to state that Phoebe A. "went to California and later to Washington where she died". Note that O.S. Davis' affidavit was written in the county of Kittitas, State of Washington.
The statement that James M. Merwin was named after his uncle was true since the husband of his father's sister was James Murray. (See p. 391 I (1292). Harriet [7] Merwin).
James Murray Merwin's military record shows that during his enlistment he held the ranks of private, corporal and sergeant. Also that he was ill 26 May to 1 Jun 1864 with Coup de Soliel (Sunstroke); wounded slightly on the left hand at the battle of Nashville, TN, 15 Dec 1864; also wounded slightly on the right hand at battle of Nashville, 16 Dec 1864.
